

What is Doggie Daycare?

Most of all, it's good, clean fun for your pet and peace-of-mind for you!

At K9 to 5, we offer:

- **A safe, cage-free environment**
 - **Supervised play group activities to keep dogs physically and mentally stimulated**
When dogs are left home alone for long periods of time, they can become stressed, destructive or bark all day
 - **Special care**
Leave any special medications, food, etc. your pet needs with us and we'll make sure they're given as needed
 - **Nap time in a cozy environment**
 - **Lots of love and attention!**
- K9 to 5 Doggie Daycare is the ideal solution if:**
- **You're too busy to give your dog the exercise he or she needs for optimum health**
 - **You're having service people in or renovations done**
 - **You have a new baby who demands all your time and attention**
 - **Your dog is showing signs of stress or poor behaviour because he misses you while you're at work all day**
 - **You have an older dog with special potty needs, medication or dietary requirements**

K9 Minds Obedience Training Courses

Each course is 6 weeks long

Puppy Kindergarten (10-18 weeks old)

Early socialization is essential for the good health and well-being of your dog. Your puppy will be less likely to become aggressive later in life.

- Teaches YOU how to train your puppy to sit, lie down, get attention & much more
- Covers jumping, chewing, crate training, housetraining & play biting
- Supervised puppy play time
- Puppies learn to understand command words and become socialized with other dogs and people

Beginner Dog Obedience (for dogs over 4-1/2 months)

- Basic obedience training and overall good dog manners
- Coming when called, greeting people without jumping, walking on a loose leash while building sit, down & stay commands
- Clicker training will be introduced to accelerate learning and get the whole family involved

Advanced Dog Obedience (for dogs over 7 months)

- Fine-tunes basic obedience
- Introduces high levels of distraction, hand signals and longer sit/down/stay commands while your dog is controlled on and off leash

At K9 to 5 Doggie Daycare and K9 Minds Obedience Training, we only use humane, dog-friendly techniques in our care and training of your pet.

How to Enroll your Dog in Doggie Daycare.

Our #1 priority is the health and safety of all dogs in our care.

Just ask us for an information package and the application forms. All dogs must be friendly, healthy, current on all vaccinations and pass a comprehensive evaluation before we'll accept them into daycare.
